- 

This schedule is a comprehensive representation based on the tournament structure (74 matches, 10 teams, 13 venues) and key confirmed details (e.g., opener on March 22 at Eden Gardens, final on May 25).

Since the exact match-by-match list beyond the first few games isn't fully detailed in public sources as of now, I've constructed a plausible sequence ensuring each team plays 14 matches, with home and away balance, and incorporated the 12 double-headers. You can adjust specific fixtures if official updates emerge later.
